Risk Need And Responsivity RNR It All Depends

In the first section, we will review the history of developing risk and need factors in the criminal justice system, with a discussion of the development of measurement of the static and dynamic risk factors. The next section presents the results from an experiment that examines the RNR principle, and discusses some of the design and measurement issues impacting the outcome from this experiment. Finally, we will discuss some of the issues related to advancing the RNR concept in practice.
