Wild Born Spirit Animals 1 by Brandon Mull Goodreads

Wild Born is the first book in the series Spirit Animals. I loved this book even though there was a lack of action in the beginning. Wild Born is about four kids who summon the four fallen great beasts that lost their lives when they defeated a villain many years back. People are shocked to find that they aren't dead and that they become four 11-year-olds spirit animals and wonder why the four fallen are back. The storyline is great and I will continue to read the series.
